Description: Although only 23 years old at the time of publication, Theodore Roosevelt made his mark as a military scholar with this detailed analysis of naval combat between the United States and Great Britain from 1812–15. Engagingly written and comprehensively researched, *The Naval War of 1812* exercised considerable influence on the formation of the modern American...

Review: Theodore Roosevelt was 24 when he wrote this book. He found existing histories of the War of 1812 to be biased and inaccurate. He was determined to produce a history of the war factually correct and unprejudiced toward either side. He achieved his goal with an admirable book. It was not intended to be a popular account. He spends a lot of effort...
